Tech Company Marks 10th Anniversary at New

By N. BEGUM

— CHICAGO

Iyka Enterprises Inc., a company focused on business process application tools, celebrated its 10th year at its new office in St. Charles on June 15.

The event, compered by Antonio Hylton, president of Broadband Technology Associates of Aurora, began with the lamp-lightening ceremony which was followed by the ribbon cutting.

Hylton welcomed the guests and thanked Poonam Gupta-Krishnan, president and CEO of Iyka, and Hamid Hussain, the vice president of operations and finance, for their unbiased technology consulting.

Gupta-Krishnan highlighted Iyka's achievements and noted that the company "is a positive contributor" to Illinois' economic growth. "Our joint efforts are to increase employment opportunities so that we can give stability to

every household, and support the government to finds ways and means for future growth in critical areas of health, education, and security," she said.

Iyka provides implementation, design, monitoring and management services for data, voice, and video communication networks.

Other speakers praised Gupta-

Krishnan and Iyka. Donna Smith Bellinger, vice president of PCG Technology Services, said Iyka's diversity and vision for quality has won the company many accolades including a listing in the "Top 10 Fastest Growing Asian Businesses" list of the U.S. Pan Asian American Chamber of

Commerce. She also noted that Gupta-Krishnan has been named in Diversity MBA Magazine's 100 Under 50 Executives in the Nation."

Darryl Harris, Illinois' director of diversity enhancement, congratulated Krishnan for her contribution to small businesses
